

# LMS Multi-Channel Data List

## ADDRESSING THE NEED FOR COMPREHENSIVE DM SOLUTIONS WHILE PLANTING THE SEEDS FOR A PROFITABLE FUTURE.

Add value to your existing Direct Response efforts  
- Augment your direct mail campaigns with e-mail reminders. You'll save postal costs, get electronic verification of customers' interest and keep your brand in the forefront of their minds.

LMS' Multi-Channel Data list contains millions of e-mail records with corresponding physical addresses and demographic information. Selects can be specified according to age, gender, DOB, religion, interests, geographic location and driving radius from POS sites(s).

*“ We continually are amazed at your work and quality of impact. ”*  
*Jason Marlowe - Vancouver, WA*

Purchase lists for your own deployment or contract with LMS to assist in any aspect of your campaign(s); from creative to implementation to analytics.

Typical lists begin at 10,000 records with various price points per thousand\* depending on selects. Contact our sales team for a complimentary marketing analysis and custom proposal that fits your needs and budget.

- 100MM+ unique records
- 4MM+ added every month
